

**MEMORANDUM OF UNDERSTANDING**  
**BETWEEN**  
**GRIGOL ROBAKIDZE UNIVERSITY**  
**AND**  
**"EREBUNI" MEDICAL ACADEMY FOUNDATION**

**A. PURPOSE AND SCOPE**

In recognition of the value of international academic collaboration for students, faculty and staff, and with the aim of strengthening cultural and educational ties, **Grigol Robakidze University (GRUNI)** and the **"Erebuni" Medical Academy Foundation** enter into this Memorandum of Understanding (MoU) to facilitate bilateral academic and research cooperation.

Areas of cooperation may include, but are not limited to:

- 1) Exchange of students;
- 2) Internship programs for students;
- 3) Short-term academic programs;
- 4) Exchange of faculty and staff;
- 5) Joint research projects;
- 6) Participation in seminars, workshops and academic meetings;
- 7) Joint cultural programs;
- 8) Collaboration between Grigol Robakidze University's Center for Migration and Diaspora Studies and University of Latvia's Migration and Diaspora Research Center in joint research, conferences, and scholarly publications.

Cooperation will extend to any academic program deemed mutually beneficial by both institutions.

**B. DEFINITIONS**

1. "Exchange students" are students participated in the program outlined in this MoU, studying or conducting internships/project at the host institution for one semester or academic year without degree-seeking status unless otherwise agreed.
2. "Home institution" refers to the university from which the student originates; "host institution" refers to the university receiving the student.
3. "Faculty" includes academic personnel; "staff" includes administrative and technical personnel.

**C. Programs:**

- a) Students from Grigol Robakidze University may participate in the following programs at "Erebuni" Medical Academy Foundation.
- b) Students from "Erebuni" Medical Academy Foundation can participate in the following programs:

- Sustainable Business Transformation (Master's)
- Sustainable Business Management (Doctoral)
- Artificial Intelligence and Programming in Business (Bachelor's)
- Business Administration (Doctoral)

1. Each student may earn up to 30 ECTS credits per semester at the host institution. Courses will be finalized no later than one month before the start of the semester.

#### **D. CREDIT RECOGNITION PROCEDURE**

1. Both institutions operate within the ECTS framework.
2. Credits earned at the host institution will be transferred in accordance with the home institution's academic regulations.
3. Host institutions shall provide official academic records. Students must authorize release of records to ensure academic recognition.

#### **E. EXCHANGE OF STUDENTS**

1. Selection will be carried out by the home institution and subject to approval by the host institution.
2. Students must maintain full-time enrollment at the home institution and fulfill language proficiency requirements.
3. Students must have comprehensive health and travel insurance.
4. Tuition is payable to the home institution; host institutions will waive tuition fees.
5. Students cover all travel, accommodation, insurance, and living expenses.
6. Students must comply with host institution rules and national laws.
7. A minimum English proficiency level of B2 is required.
8. The host institution will support integration into student life.
9. GRUNI will adhere to Georgian Law on Higher Education<sup>1</sup>, chapter 49<sup>2</sup>, Paragraphs 3, protecting student status during exchanges.

#### **F. EXCHANGE OF FACULTY AND STAFF**

1. Faculty and staff exchanges are encouraged and require mutual approval;
2. Selection is carried out by the home institution and subject to host institution approval;
3. Duration will be based on exchange purpose and institutional guidelines;
4. All terms, including financial responsibilities, will be agreed in advance.
